

**A Summary report of performance in 13 Govt. ITI Run under PPP mode & Managed by BPIE Group(PTP) , Gopeshwarpally,Bishnupur,Bankura,722122,W.B.**

**About B.P.I.E. Group The P.T.P:**

The BPEI, entrusted P.T.P., evolved as a Social Welfare and Philanthropic Organization in 2007. The Cherished mission of the Organization is to Spread Education and Technical Skill among the youths of Rural Bengal. With this mission ahead we took the responsibility of being the P.T.P for 13 no's of Govt. ITI (PPP model) spreading over 05 Districts of West Bengal. We have endeavored rightly to achieve the best.

A reflection of activities undertaken in 13 ITI (PPP model) centers run by our Management is presented in the Summary Report furnished below:

**Academic Activities College Wise:**

<b>ACADEMIC ACTIVITIES : COLLEGE WISE (2018-20 Session)</b>		
<b>Name of the College</b>	<b>Trades Offered</b>	<b>No. of Students enrolled</b>
<b>BALARAMPUR GOVT. ITI (ISO 29990 : 2010 Certified)</b>	Electrician, Fitter, Welder, Surveyor, Mechanic (Motor Vehicle), Mechanic (Refrigeration and Air-Conditioner)	281
<b>HURA GOVT. ITI (ISO 29990 : 2010 Certified)</b>	Electrician-1, Fitter-1, Mechanic (Refrigeration and Air-Conditioner), Electrician-2, Fitter-2	158
<b>INDPUR GOVT. ITI (ISO 29990 : 2010 Certified)</b>	Electrician, Fitter, Electronics Mechanic, Mechanic (Refrigeration and Air- Conditioner), Mechanic (Motor Vehicle), Draughtsman (Civil), Welder, Surveyor, Mechanic Diesel, Sewing Technology	489

<b>SONAMUKHI GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician, Fitter, Electronics Mechanic, Machinist, Mechanic (Motor Vehicle), Wireman, Welder, Surveyor, Computer Operator and Programming Assistant	413
<b>GHATAL GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician-1, Fitter-1, Welder, Surveyor, Electronics Mechanic, Dress Making, Electrician-2, Fitter-2	322
<b>KESHPUR GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician, Fitter, Electronics Mechanic, Turner, Mechanic (Motor Vehicle), Wireman, Welder, Surveyor, Mechanic Diesel	394
<b>DEBRA GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Fitter, Welder, Surveyor, Plumber, Mechanic (Motor Vehicle)	302
<b>SHYAMPUR GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician, Fitter, Electronics Mechanic, Welder, Surveyor	317
<b>BAURIA GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician-1, Fitter, Electronics Mechanic, Plumber, Electrician-2, Computer Hardware Network Management	254
<b>UDAYNARAYANPUR GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician, Fitter, Electronics Mechanic, Machinist, Mechanic Motor Cycle, Welder, Surveyor, Computer Operator and Programming Assistant, Draughtsman (Civil)	390
<b>HAROA GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician, Fitter, Mechanic (Refrigeration and Air-Conditioner), Mechanic (Motor Vehicle), Draughtsman (Civil), Welder, Surveyor, Mechanic Diesel, Plumber	452
<b>GAIGHATA GOVT. ITI</b> (ISO 29990 : 2010 Certified)	Electrician, Fitter, Electronics Mechanic, Mechanic Diesel, Welder	304
<b>HARICHAND GURUCHAND THAKUR GOVT. ITI (BAGDAH)</b> (ISO 29990 : 2010 Certified)	Electrician, Fitter, Welder, Surveyor, Mechanic (Motor Vehicle)	282
<b>TOTAL STUDENT OF 13 ITI</b>		<b>4358</b>

**Trades Offered in Our 13 No. s of Govt. (PPP Mode) ITI's. Run & Managed by BPEI,  
Bishnupur, Bankura**  
(18 Different Trades are conducted & Furnished below College wise)

## Special Project Works Undertaken in Different ITI Centers :

### SPECIAL PROJECT WORKS UNDERTAKEN IN DIFFERENT ITI CENTRE :2017-18

NAME OF THE ITI CENTRE	PROJECT WORKS UNDERTAKEN AND COST	WORKING PRINCIPAL	PROJECT MODEL
SHYAMPUR GOVT. ITI	<p><b>NAME :</b></p> <p>IR BASED REMOTE STREET LIGHT</p> <p><b>(Project Cost: Rs. 332/-)</b></p>	<p>The Infrared sensor is a device which uses infrared waves to sense characteristics of surroundings. It is used to measure heat emitted by object or human beings. It is also used to detect motion of the object. It is also used for data communication for monitoring and control applications.</p>	

<p><b>SHYAMPUR GOVT. ITI</b></p>	<p><b>NAME :</b> LDR BASED HOME LIGHT AUTOMATION</p> <p><b>(Project Cost: Rs. 442/-)</b></p>	<p>The working circuit is very much easy to understand. In this circuit we used basically and operational amplifier user to compare the voltage and give us the O/P in return i.e., it works as a potential divider in this LDR and one potential divider which is used to provide a variable voltage at the inverting I/P and the second potential divider is built around non-inverting I/P with the help of R1 &amp; R2 which will grant half the supply voltage to non-inverting pins</p>	
<p><b>SHYAMPUR GOVT. ITI</b></p>	<p><b>NAME :</b> WATER LEVEL DETECTOR</p> <p><b>(Project Cost: Rs. 100/-)</b></p>	<p>The water level indicator is defined as a system which gets the information about the water level in reservoirs or in tanks which is used in homes. By using the water level indicator we can overcome the overflow of water from the tankers.</p>	

<p><b>BAURIA GOVT. ITI</b></p>	<p><b>NAME :</b> SINGLE STAGE AMPLIFIER /MULTISTAGE AMPLIFIER</p> <p><b>(Project Cost: Rs. 560/-)</b></p>	<p>To make different type of home theatre and use speaker</p>	<p>BAURIA GOVT. ITI</p> 
<p><b>BAURIA GOVT. ITI</b></p>	<p><b>NAME :</b> FIRE ALARM</p> <p><b>(Project Cost: Rs. 150/-)</b></p>	<p>To use fire alarm in demanding situation for security purpose</p>	<p>BAURIA GOVT. ITI</p> 
<p><b>GAIGHATA GOVT. ITI</b></p>	<p><b>NAME :</b> GLOW SIGNBORD OF COLLEGE NAME WITH LIGHT INSIDE</p> <p><b>(Project Cost: Rs. 2800/-)</b></p>	<p>At first we set the lights and completed the light commotions. After all lights were working fine we had pinned the printed flex at the front side of the tin sheet covered wooden structure. In this way we completed the project step by step .The glow sign board appeared to be decent and quite usable.</p>	<p>GAIGHATA GOVT. ITI</p> 

<p><b>GAIGHATA GOVT. ITI</b></p>	<p><b>NAME :</b> NAME PLATE</p> <p><b>(Project Cost: Rs. 400/-)</b></p>	<p>At first we set the tool as a welding project, which is made by Fitter 1<sup>st</sup> year student's .They made it in metal sheet and joined them in welding process. Our students tried to make that project perfectly and they got success.</p>	 <p>GAIGHATA GOVT. ITI</p>
<p><b>GAIGHATA GOVT. ITI</b></p>	<p><b>NAME :</b> VACUUM CLEANER TECHNOLOGY</p> <p><b>(Project Cost: Rs. 700/-)</b></p>	<p>Low cost Vacuum Cleaner model .It is a simple technology. We have to create a low pressure system that forces air into a tube to snck smaller particles. It can be made with a plastic bittle with a fan connected to the tube. The project is viable &amp; economy friendly.</p>	 <p>GAIGHATA GOVT. ITI</p>
<p><b>GAIGHATA GOVT. ITI</b></p>	<p><b>NAME :</b> NAME PLATE</p> <p><b>(Project Cost: Rs. 400/-)</b></p>	<p>Name plate is a welding project. Which is made by Fitter 1<sup>st</sup> year student. They made it in metal sheet and joined them in welding process. And our student tried to make that project perfectly and they made a decent useful product.</p>	 <p>GAIGHATA GOVT. ITI</p>

<p><b>GAIGHATA GOVT. ITI</b></p>	<p><b>NAME :</b> JCB</p> <p><b>(Project Cost: Rs. 2200/-)</b></p>	<p>JCB is a manufacturing company which produce earth-moving equipment. It produces about 300 types of equipment's, among them excavator is popular. It specially used for 360 excavation of multipurpose projects</p>	<p>GAIGHATA GOVT. ITI</p> 
<p>GAIGHATA GOVT. ITI</p>	<p><b>NAME :</b> LED NAME PLATE WITH MULTICOLOR LED'S</p> <p><b>(Project Cost: Rs. 355/-)</b></p>	<p>We basically want to make a custom LED nameplate. Took a card board of very small size. The board was drilled to show the name. A circuit board full of color changing LED was set. A switch was added to change color on every 5-15 seconds, as needed.</p>	 <p>GAIGHATA GOVT. ITI</p>

<p>GAIGHATA GOVT. ITI</p>	<p><b>NAME :</b> SUBMERSIBLE WATER PUMP</p> <p><b>(Project Cost: Rs. 700/-)</b></p>	<p>This pump can't pump up to that height but it still works. Have a slow motor from a PS2 controller and let say it does not work to well also just to tell you all. This only work under water. So make a long code attaching to the battery, besides this connect to it a 3-9 volt supply and submerge it under water and watch it flows.</p>	
<p>UDAYNARAYANPUR GOVT. ITI</p>	<p><b>NAME :</b> DARK SENSOR STREET LIGHT, ALARM SYSTEM AND LEASER SECURITY SYSTEM</p> <p><b>(Project Cost: Rs. 1430/-)</b></p>	<p>In This Project A Theme Is Made By Student Where Street Lights Are Automatically "On" And "Off" With The Sense Of Light And Dark. In General Street Lights Are "On" When Sunset Up And "Off" When Sunrise. Here In This Project Led Street Lights Are "On" When Light Is "Off" And Off Light Become Lightened. In This Project A Calling Bell Is Include Into A School. Also Hence Leaser Security System Perform Secure A Bank.</p>	

<p>UDAYNARAYANPUR GOVT. ITI</p>	<p><b>NAME :</b> STEAM GENERATOR</p> <p><b>(Project Cost: Rs. 355/-)</b></p>	<p>Small hollow tanks were drilled to pass liquid and vapors. Then, a burner is set up to heat the liquid (water) in the small tank. Then they set up a steam blade in front of the small tank, and then the steam blade is connected with alternator. And alternator connected to bulb. Then the bulb glows with the help of steam blade. At last the project is ready for application.</p>	
<p>UDAYNARAYANPUR GOVT. ITI</p>	<p><b>NAME :</b> STREET LIGHT CONTROL (AUTOMATIC)</p> <p><b>(Project Cost: Rs. 1430/-)</b></p>	<p>Need No Manual Operation For Switching On &amp; Off. When There Is A Need Of Light It Automatically Switches On. When Darkness Raises To A Certain Level Then Sensor Circuit Gets Activated And Switches On And When There Is Other Source Of Light I.E. Daytime, The Street Light Gets Off.</p>	

<p>UDAYNARAYANPUR GOVT. ITI</p>	<p><b>NAME :</b> ELECTRIC FLASHER</p> <p><b>(Project Cost: Rs. 874/-)</b></p>	<p>It will be noted in the picture 2 that the lamps numbered 1 will glow at a time and number 2 and 4 will glow turn after group. When wooden drum rotate, then carbon brushes make contact with their respective circuit and thus 1 and 3 rotation lamps in circuit no. 1 glow with carbon brush no.1 at 2 and 3 rotation lamp in circuit no.2 will glow with carbon brush no.2 and finally no.3 will glow. Due to ON and OFF of circuits it look like a rotating light.</p>	
<p>UDAYNARAYANPUR GOVT. ITI</p>	<p><b>NAME :</b> THREE LAMPS CONTROL FROM THREE SWITCHES TABLE LAMP</p> <p><b>(Project Cost: Rs. 395/-)</b></p>	<p>Draw the layout diagram on the wiring board. Then cut the pieces of P.V.C. casing. With the help of 20mm wooden screw, fix the P.V.C. casing. Now insert the cables in the channel of the casing and then cover it with push fit capping. Before energizing the circuit for normal operation test the circuit with series testing board.</p>	

<p>UDAYNARAYANPUR GOVT. ITI</p>	<p><b>NAME :</b> TABLE FAN CONTROL</p> <p><b>(Project Cost: Rs. 690/-)</b></p>	<p>In India, during summer power cut is a big problem in our village and small cities, some places power cuts last for 4 to 8 hours in a day. So during that time, people face a lot of problems like suffering from unbearable hot of this summer season. So to solve this problem here is our small effort in the from of this project. You can make this at your home. Also this is a very lightweight, portable and comes with 2-4 hours of battery lasting capacity.</p>	
<p>UDAYNARAYANPUR GOVT. ITI</p>	<p><b>NAME :</b> ONE LAMP CONTROL FROM TWO PLACES</p> <p><b>(Project Cost: Rs. 395/-)</b></p>	<p>To construct this set up we need 2no.of two way switches. Have common terminal on one switch is connected with phase line and another switch common terminal connected to the lamp load, always prefer switch connection in the phase line. way terminals of each switch is connected with each other, neutral line is directly connected to the lamp load.</p>	

<p>GHATAL GOVT. ITI</p>	<p><b>NAME :</b> JBL SPEAKER WITH DANCING LED</p> <p><b>(Project Cost: Rs. 3600/-)</b></p>	<p>A person's voice contains various parameters that convey information such as emotion, gender, attitude, health and identity. Speakers recognition technologies have wide application areas, The aim of this paper is to provide the some specific areas where speakers recognition techniques can be used.</p>	 <p>GHATAL GOVT ITI</p>
<p>GHATAL GOVT. ITI</p>	<p><b>NAME :</b> TRICYCLE FOR DRIFTING</p> <p><b>(Project Cost: Rs. 1200/-)</b></p>	<p>A tricycle, often abbreviated to trike is a human- powered ( or gravity-powered) three-wheeled vehicle. Some tricycles, such as cycle rickshaws (for passengers transport) and freight trikes, are used for commercial purposes, especially in the developing world.</p>	 <p>GHATAL GOVT ITI</p>
<p>GHATAL GOVT. ITI</p>	<p><b>NAME :</b> AIR COOLER</p> <p><b>(Project Cost: Rs. 6635/-)</b></p>	<p>Coolers are based on the simple principle that when unsaturated air comes in contact with water, the water evaporates. In this process the moisture content of air increases, while its temperature decreases. The resulting cooled but the moist air is used for providing cooling.</p>	 <p>GHATAL GOVT ITI</p>

<p>GHATAL GOVT. ITI</p>	<p><b>NAME :</b> BLINKING LED BOARD</p> <p><b>(Project Cost: Rs. 2860/-)</b></p>	<p>In the simplest terms, a light-emitting diode (LED) is a semiconductor device that emits light when an electric current is passed through it. Light is produced when the particles that carry the current (known as electrons and holes) combine together within the semiconductor material.</p>	
<p>GHATAL GOVT. ITI</p>	<p><b>NAME :</b> TRAFFIC AUTO ROAD SIGNAL</p> <p><b>(Project Cost: Rs. 1000/-)</b></p>	<p>Application traffic management is provided by application delivery controllers to optimize the routing and delivery of specific data type to the best resource as quickly as possible. Deep packet inspection is used to determine what the data type is and combined with rules and policies. The data can be routed to specified servers with in an organization. This allowed mission critical data to be preferentially send to high performing serves that can process it in priority to other data types.</p>	

## SPECIAL PROJECT WORKS UNDERTAKEN IN DIFFERENT ITI CENTRE :2018-19

NAME OF THE ITI CENTRE	PROJECT WORKS UNDERTAKEN AND COST	WORKING PRINCIPAL	PROJECT MODEL
INDPUR GOVT. ITI	<p><b>NAME :</b> Engine Set-up Table</p> <p><b>(Project Cost Rs.600/-)</b></p>	<p>The engine setup table was first initiative taken by the department to meet the requirement of a setup assembly for the engine block that belongs to automobile department. It helps trainees to carry out practical study of accurate dimensioning of machine and to develop a proper setup assembly in accordance with utmost precision</p>	
INDPUR GOVT. ITI	<p><b>NAME :</b> Industrial Three Shelves Rack cum Fire Extinguisher Bucket Holder</p> <p><b>(Project Cost Rs.500/-)</b></p>	<p>Industrial Three Shelves Rack cum Fire Extinguisher Bucket Holder was aimed to serve the purpose of keeping the belonging of respective department as well as to ensure fire safety of the workshop</p>	

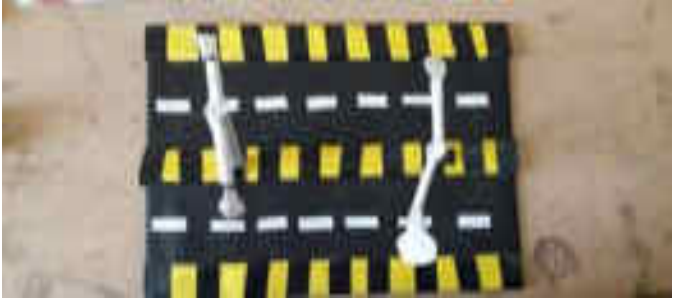

<p>INDPUR GOVT. ITI</p>	<p><b>NAME :</b> Welding Booth  <b>(Project Cost Rs.800/-)</b></p>	<p>Welding Booth was planned to develop to ensure in proper Working condition for welding. Further, it again decides to furnish with guard walls to prevent detrimental arc radiation to come out</p>	
<p>INDPUR GOVT. ITI</p>	<p><b>NAME :</b> Decorative Almeria  <b>(Project Cost Rs.600/-)</b></p>	<p>A Decorative Almirah has been developed further to keep several belongings of workshop in proper place</p>	
<p>INDPUR GOVT. ITI</p>	<p><b>NAME :</b> Board for workshop  <b>(Project Cost Rs.600/-)</b></p>	<p>Further the trainees make a Board to draw various diagrams and planning for convenience of their practical classes</p>	

INDPUR GOVT. ITI	<p><b>NAME :</b> Gas Cylinder Trolley</p> <p><b>(Project Cost Rs.400/-)</b></p>	<p>Gas Cylinder trolley was the first initiative taken by the department to ensure safety as well to extend an opportunity of experimental learning</p>	
INDPUR GOVT. ITI	<p><b>NAME :</b> Sitting Tool</p> <p><b>(Project Cost Rs.500/-)</b></p>	<p>Asitting tool recently made by the trainees as a result of their own interest</p>	
INDPUR GOVT. ITI	<p><b>NAME :</b> CHARGER LIGHT AND FAN</p> <p><b>(Project Cost Rs.100/-)</b></p>	<p>Charger Light and fan is developed by considering the problem during power Cut-off</p>	
INDPUR GOVT. ITI	<p><b>NAME :</b> MODEL OF INDPUR GOVERNMENT ITI BUILDING WITH AUTOMATIC LIGHTING SYSTEM</p> <p><b>(Project Cost Rs.500/-)</b></p>	<p>Recently department construct a model of Institution Automatic Lighting system for an exhibition</p>	

<p>INDPUR GOVT. ITI</p>	<p><b>NAME :</b> AUTOMATIC LIGHTING SYSTEM BY LDR</p> <p><b>(Project Cost Rs.350/-)</b></p>	<p>Automatic Light System by LDR(Light Dependent Resistor) is an latest and most effective innovation to save wastage of power as this system adopts to provide power depending upon the intensity of Light. Now a days it is extensive used in Solar Lighting System in both Urban and Rural areas to avoid the wastage of power during Daytime and to make the process of illumination automatic</p>	
<p>INDPUR GOVT. ITI</p>	<p><b>NAME :</b> Charging LED Lighting system with Fan &amp; FM</p> <p><b>(Project Cost Rs.400/-)</b></p>	<p>An emergency LED light is a battery-backed lighting device that switches an automatically when there is a power outage. Most of the emergency lights and Fan works on power back-up where you will have to charge the device for couple of hours before use. A wireless charging FM radio is including with this device</p>	

INDPUR GOVT. ITI	<p><b>NAME :</b> Rain Detector Alarm</p> <p><b>(Project Cost Rs.150/-)</b></p>	<p>Rain water detector will detect the rain and make an alert, rain water detector is used in the irrigation field, home automation, communication, automobiles etc. Here is the simple and reliable circuit of rain water detector which can be constructed at low cost</p>	
INDPUR GOVT. ITI	<p><b>NAME :</b> Calling Bell</p> <p><b>(Project Cost Rs.150/-)</b></p>	<p>Calling bell give an alarm or notice.it is a bell that alerts and causes attention to the attendant who hears it</p>	
INDPUR GOVT. ITI	<p><b>NAME :</b> Electric Boat</p> <p><b>(Project Cost Rs50./-)</b></p>	<p>Electric boat that are powered with an electric motor.They often use renewable energy sources such as wind turbines,solar panels</p>	

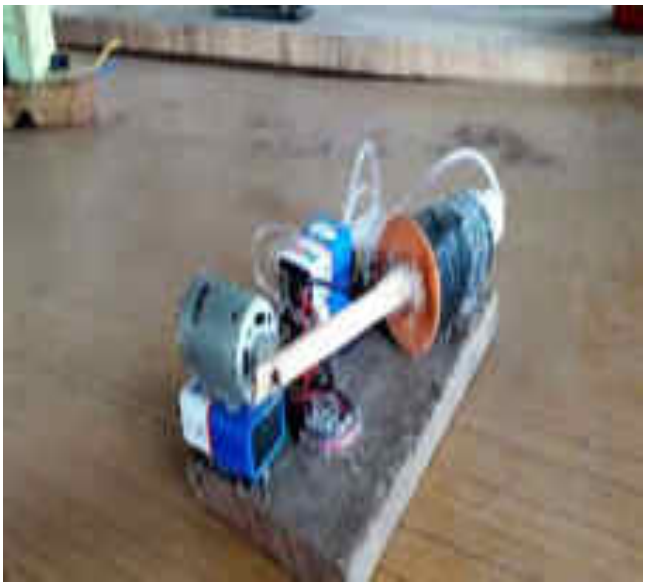

INDPUR GOVT. ITI	<p><b>NAME :</b></p> <p>Street LED light</p> <p><b>(Project Cost Rs.100/-)</b></p>	<p>LED Street light is an integrated light that uses LED as its light source. The shape of the LED street light depends on several factors,including LED configuration</p>	
INDPUR GOVT. ITI	<p><b>NAME :</b></p> <p>Emergency Charging LED light</p> <p><b>(Project Cost Rs.150/-)</b></p>	<p>An emergency light is a battery-backed lighting device that switches an automatically when there is a power outage.most of the emergency lights works on power back-up where you will have to change the device for couple of hours before use</p>	
BAURIA GOVT. ITI	<p><b>NAME :</b></p> <p>HOT AND COLD WATER SUPPLY</p> <p><b>(Project Cost Rs./-)</b></p>		

BAURIA GOVT. ITI	<p><b>NAME :</b></p> <p>CHASER CIRCUIT</p> <p><b>(Project Cost Rs.150/-)</b></p>		
BALARAMPUR GOVT. ITI	<p><b>NAME :</b></p> <p>COOLING TOWER</p> <p><b>PROJECT COST/-1600</b></p>	<p>This is a cooling tower . Hot water becomes cold water by exhaust fan &amp; divission of water by 4 part of net. The water resiculate by a pump</p>	
BALARAMPUR GOVT. ITI	<p><b>NAME :</b></p> <p>BORD LIGHT BY LED LIGHT</p> <p><b>PROJECT COST/-750</b></p>	<p>This project is making by LED light .LED light connected in series &amp; it connected with the ac line 240 V.It is a constant light</p>	

<p>HARI CHAND GURU CHAND THAKUR GOVT. ITI(BAGDAH)</p>	<p><b>NAME :</b> PUNCH</p> <p><b>(Project Cost Rs.200/-)</b></p>	<p>A punch is used in a bench work for making out work ,locating centers in a more permanent manner .Dot punch makes a dot mark on the metal sheet surface which is done so that the surface do not get affected after the operation done and prick punch is more visible than that of a dot punch .The centre punch is used only to make the prick punch marks larger at the centre of the holes that are to be drilled</p>	
<p>HARI CHAND GURU CHAND THAKUR GOVT. ITI(BAGDAH)</p>	<p><b>NAME :</b> Cone peen hammer</p> <p><b>(Project Cost Rs.300/-)</b></p>	<p>The cone peen hammer is a specially designed engineering hammer which is capable of making dot punching, serves all the purposes of ball peen hammer and serves the function of chipping hammer.</p>	

<p>HARI CHAND GURU CHAND THAKUR GOVT. ITI(BAGDAH)</p>	<p><b>NAME :</b> Industrial Oven</p> <p><b>(Project Cost Rs.800/-)</b></p>	<p>Industrial oven is widely used in varied industrial applications and temperatures for drying, baking ,conditioning ,sterilizing ,preheating and curing of many processes and products.</p>	
<p>GAIGHATA GOVT ITI</p>	<p><b>NAME :</b> FIRST AID BOX</p> <p><b>(Project Cost Rs.300/-)</b></p>	<p>A first aid kit is a collection of supplies and equipment that is used to give medical treatment. There is a wide variation in the contents of first aid kits based on the knowledge and experience of those putting it together, the differing first aid requirements of the area where it may be used and variations in legislation or regulation in a given area</p>	

<p>GAIGHATA GOVT ITI</p>	<p><b>NAME :</b> METALLIC LUDO BOARD  <b>(Project Cost Rs.300/-)</b></p>	<p>Pachisi was modified to use a cubic die with dice cup and patented as "Ludo" in England in 1896. The Royal Navy took Ludo and converted it into the board game Uckers.</p>	
<p>GAIGHATA GOVT ITI</p>	<p><b>NAME :</b> SPEED MANUAL TRANSMISSION  <b>(Project Cost Rs.250/-)</b></p>	<p>Speed Manual transmissions are characterized by gear ratios that are selectable by locking selected gear pairs to the output shaft inside the transmission</p>	
<p>GAIGHATA GOVT ITI</p>	<p><b>NAME :</b> DECORATING LED LIGHT BOARD  <b>(Project Cost Rs.350/-)</b></p>	<p>An LED board is a flat panel board, which uses an array of light-emitting diodes as pixels for a video board. Their brightness allows them to be used outdoors where they are visible in the sun for store signs and billboards.</p>	
<p>GAIGHATA GOVT ITI</p>	<p><b>NAME :</b> workshop trolley  <b>(Project Cost Rs.600/-)</b></p>	<p>Transport of materials used in agriculture, trolleys and hand carts adapted for the storage and transport of materials used in forestry, trolleys and hand carts adapted for the storage and transport of materials used in gardening.</p>	

<p>HAROA GOVT. ITI</p>	<p><b>NAME :</b>  WORKING MODEL ON DOMESTIC AIR COOLER  <b>(Project Cost Rs.350/-)</b></p>	<p>Evaporative air cooling is the natural way of cooling.</p>	
<p>HAROA GOVT. ITI</p>	<p><b>NAME :</b>  MODEL ON HYDRAULIC J.C.B  <b>(Project Cost Rs.300/-)</b></p>	<p>The best deserve the best – plain and simple. Our JCB genuine parts are designed to work in perfect harmony with your machine for optimum performance and productivity. Our focus is on fast-moving (lubricants, filters, engine parts &amp; service exchange items) and fast-wearing parts (tires, tracks and teeth) which means you can rest assured that dealer stock levels remain replenished so you don't have to wait for your part, ensuring a fast turnaround whether it's a service or repair.</p>	
<p>HAROA GOVT. ITI</p>	<p><b>NAME :</b>  MODEL ON AIR PUMP  <b>(Project Cost Rs.400/-)</b></p>	<p>The basic working principle of an air compressor is to compress atmospheric air, which is then used as per the requirements. In the process, atmospheric air is drawn in through an intake valve; more and more air is pulled inside a limited space mechanically by means of piston, impeller, or vane.</p>	

<p>HAROA GOVT. ITI</p>	<p><b>NAME :</b>  MODEL OF VIDYASAGAR SETU  <b>(Project Cost Rs.350/-)</b></p>	<p>We are looking to hire a co-ordinator for our new project GET ACCESS, preferable a person with disability. We want an enthusiastic person with entrepreneurial and team skills that will help to make this a self supporting project. He/She will be in charge of two accessible vehicles and three drivers. A model for service delivery will be worked out. The Co-ordinator will be trained and supported by a senior staff.</p>	
<p>HAROA GOVT. ITI</p>	<p><b>NAME :</b>  MODEL ON MOTOR BIKE  <b>(Project Cost Rs.350/-)</b></p>	<p>Valves open and close to allow the fuel-air mixture to enter the combustion chamber. As the pistons move up and down, they turn a crankshaft, which transforms the energy from the pistons into rotary motion. The rotational force of the crankshaft is transmitted, via the transmission, to the rear wheel of the motorcycle. Very cool! Thanks, I'll check it out. Very interesting!</p>	
<p>HAROA GOVT. ITI  HAROA</p>	<p><b>NAME :</b>  MODEL ON HYDRAULIC LIFTING SYSTEM  <b>(Project Cost Rs.350/-)</b></p>	<p>Valves open and close to allow the fuel-air mixture to enter the combustion chamber. As the pistons move up and down, they turn a crankshaft, which transforms the energy from the pistons into rotary motion. The rotational force of the crankshaft is transmitted, via the transmission, to the rear wheel of the motorcycle. Infant clothing or baby clothing is clothing for</p>	

GOVT. ITI	<p><b>NAME :</b></p> <p>BABY FROCK</p> <p><b>(Project Cost Rs.250/-)</b></p>	<p>infants. Baby fashion is a social-cultural consumerist practice that encodes in children's fashion the representation of many social features and depicts a system characterized by differences in social class, richness, gender or ethnicity.</p>	
DEBRA GOVT. ITI	<p><b>NAME :</b></p> <p>TRAFFIC CONTROLLING</p> <p><b>(Project Cost RS.-242/-)</b></p>	<p>TO AVOID ACCIDENT. TO BE ALERT THOSE PEOPLE WHO ARE NOT FOLLOWED TRAFFIC RULES BY THEIR CARELESS MOVEMENT.</p>	
DEBRA GOVT. ITI	<p><b>NAME :</b></p> <p>WIND POWER ENERGY GENERATION</p> <p><b>(Project Cost RS.150/-)</b></p>	<p>TO GENERATE NON CONVENTIONAL ENERGY BY WIND POWER.</p>	
DEBRA GOVT. ITI	<p><b>NAME :</b></p> <p>GAS OVEN</p> <p><b>(Project Cost RS.-1200/-)</b></p>	<p>KICHEN PUOPOSE</p>	

**ROBOTICS WORKSHOP-SKILL DEVELOPMENT TRAINING**

## INTRODUCTION

Mahindra Pride Classroom is a flagship Corporate Social Responsibility Livelihood program of the Mahindra group and is fully implemented by Naandi Foundation. Our training program equipped the students with the required skills for employment.

We would like to convey our heartfelt thanks to Mr Kaushik Pal, Registrar of Bishnupur Public Institute of Engineering (BPIE) for giving us the opportunity to implement employability training program for 10 Government ITI (PPP Model) across West Bengal. Special Thanks to all Government ITI (PPP Model) Principals, Coordinators, Instructors and supporting staff who helped us in all way possible to make the training program a grant success.

After the proposal and subsequent discussions to facilitate the program in the end of 2018 by training in two of Govt. ITI(PPP Model) in Debra and Keshpur, the program conducted by Mahindra Pride Classroom was successful and the program gave us a tremendous learning.

Before the commencement of the training session in all the 10 Govt. ITI (PPP Model), West Bengal a workshop was conducted for our existing trainers focusing on the scope of conducting the training program for ITI students and preparation of framework keeping in mind the background where the ITI students hail from.

The content or module for the program has been mapped and worked in consultation with our content team in Hyderabad. The trainers were given special workshop on content to ensure uniformity which is a significant aspect. The content has been framed in order for the employment quotient and standardized all over the 10 ITI in West Bengal.

## EXECUTIVE SUMMARY

Mahindra Pride Classroom training on Employability Skill Development was organised successfully in 10 ITI across West Bengal.

The participants included all Batch students from branches like Fitter, Welder, Turner, Surveyor, Mechanic Diesel Etc.

Coaches from Mahindra Pride Classroom were experts in Employability Skill, Life Skills, Interview Skills, and Soft Skills. In preparation for this training a study was undertaken by Mahindra Pride Classroom to identify each student's internal strengths and weaknesses and mould them to a state where they are ready to step foot from Campus to Corporate.

Mahindra Pride Classroom aim is the overall development of the students. Most of the student's goal is to get any job soon after their course. The students get all their meticulous detail in their curricula, the standards fail to address one important factor: the psychological barriers that stand between many students and their deeper learning. Unless students are motivated to take on the new standards, and persuaded to take up the challenges, the common goal could have the unintended effect of leaving many students further behind.

The training by Mahindra Pride Classroom has given each student a new vision to their life. They now strongly believe that they can be successful in their lives with some values and the ultimate goal is not just any job, Mahindra Pride Classroom has given them a strong push and have improved their confidence.

Our lesson plan covered Interactive sessions which provide engaging activity style interaction amongst the students. Every lesson plan we have framed has an objective behind it:

- To help students to develop a positive self-image and identify their positive qualities
- To remind students of their positive values that they have learnt and inculcate respect for human kind.
- Help students aware of the importance of etiquettes and manners at home and in the society.
- Awaken in each student the importance and joy of being compassionate.
- Guide students realize the importance of commitment to job, growth of opportunities and relocation.
- Make students bring out and identify themselves the creativity in them.
- Help students to have an idea of how to communicate to customers in basic business language
- Help students organize their thoughts and explain a process step by step
- Impart in students how to gain confidence and develop their public speaking developing their confidence and language skills
- Groom students for a formal GD during interview process and public speaking
- Prepare the students how to face an Interview through conducting a mock interview session
- Recommendations were made by the students on the next steps after this training. An evaluation done at the end of the training, scored the students opinion of the training and trainers individually.

## MAHINDRA PRIDE CLASSROOMS MILESTONE 2018-2019 IN GOVERNMENT ITI (PPP- Model) – WEST BENGAL

<b>TOTAL NUMBER OF STUDENTS TRAINED IN Govt. ITI (PPP MODEL) ACROSS WEST BENGAL</b>	<b>1591</b>
<b>TOTAL NUMBER OF CLASSROOMS</b>	<b>39</b>

Details are as follows

## Note on Mahindra Pride Classroom Team on Our Experience with ITI Students...

*The curriculum on the whole was very beautifully designed keeping into mind the background the students belong to. The trainers had taken different sessions which were well paced. We conducted 3 sessions per day and each of these sessions had its due importance in shaping student's personality. Almost all sessions had activities which were not the run of the mill type. We ensured that all the students showed great enthusiasm to participate in the same. The beauty of our training program, we believe, is that it has led to the overall development of most of the students and not just in the communication skills. It is remarkable that such a colossal change could be brought about in majority of the students, given the time constraints.*

*Sessions like resume building, public speaking, group discussions and interview preparation were planned keeping in mind the real necessity of ITI students. These sessions had managed to give the students the right exposure. Instant feedback was given to each student which helped them correct their mistake. All the*

*students of the class were given the opportunity to equally participate in all the activities and were evaluated individually which ensured that no student was left out. This is one of the major reasons why many students who never even came up on stage had actually come and performed. For the first time some students realised that they are no less than others and that they can improve.*

*The last 2 days of the training program were about the mock recruitment process. Students were asked to come in formals and were evaluated on this day. Extempore was conducted in all the batches and the best part of it was the fact that after 4 days of training, all students had gathered enough courage and confidence to speak about any random topic without even having the time to think about the topic, and most importantly without stage fear. On the last personal interviews were conducted by our coaches to give them the feel of facing an interview before hand. Undoubtedly it was conducted very professionally and after each interview, the student received feedback on areas of improvement. Immediate feedback after each interview was really very effective. The trainers were truly top notch and they ensured that their confidence and energy radiated all along. A clear indication of the impact they created was the fact that on all training days almost all the students were present. Certificate of participation has also been awarded to all the students who attended Mahindra Pride Classroom Training. Since ITI is a highly demanding profile and have higher chances of developing a career out of it. Thanks to ITI (PPP MODEL) initiative for bringing out this concept to the real needy ones. All our students were passionate and gogetting attitude. We were amazed by the changes in the initial few days of training itself. They were willing to do the tasks and shared their stories. Many were wounded humans inside. They opened up, and then promised that they will never give up in life and will face life with positivity. Students told that they benefitted much out of sessions like Most of our sessions gave them an opportunity to present themselves in front of others. They started developing positive attitude towards the end and we winded up with a few really touching moments.*

*Being a free training program, ensured we didn't compromise on our quality and commitment. This training program was truly top notch and we would be grateful to conduct more training sessions in the years to come. A big thank to all the Principals and Coordinators for supporting us immensely all through the training sessions.*

**We would love to extend our heartfelt gratitude and thanks to**

**Mr Kaushik Pal (Registrar of BPIE)** and all the Principal in each institute who showed immense support and hospitality throughout the project. Special thanks to-

Principal **Miss. Nabonita- Debra Govt. ITI**

Principal **Mr. Nityanand– Keshpur Govt. ITI**

  Shot on OnePlus

Govt. ITI (PPP Model), no doubt created a desired impact on the students. Most of the students were from financially backward families. Students were very receptive and enthusiastic. There were students in both the batches who were doing part-time jobs on evenings, nights and weekends to support their studies as well as their families. A lot of students have the preconceived idea that Mahindra Pride Classroom came to preach English, so also, they were taken aback when they discovered the changes that were happening within them as well as in their friends. Students were comparatively passionate, all of them attended the Mock interview.

The training was a great experience as the transformation in the students were visible. By the end of the training most of them were confident to speak in public and secure the right attitude and confidence. For all the students in ITI it was a new experience. They voiced their happiness and enthusiasm in all the feedbacks we collected. Most students voiced that it was the first time they are facing an audience and were amazed to see the difference in their confidence at the end of day five. A few came and apologized to our coaches for behaving naughty in certain sessions. This gesture really shows the impact of our training. By the end of the day of the interview all of them came well-groomed and showcased confidence.

## CONCLUSION

ITI (PPP Model) had given us good takeaways. Every day has been a new learning for us. Every student had a compelling story to tell. Every institute has a story to tell. In this course of our training at ITI, the closure of the project has been examined from all angles, and ways of implementing new strategies and improving techniques in the upcoming projects have been discussed among our team. During the course of the training program various unexpected challenges were faced by the coordinating team and the trainers with regard to the Brigade and rains. In order to develop program and make it more efficient these challenges have to be dealt with utmost importance. These challenges hinder program, morale of the donors and coordinating team as the beneficiaries need to be delivered completely which is the utmost goal of the program. In general, our aims and objectives of this training project at ITI across West Bengal in 2018-19 have been successfully attained. Mahindra Pride Classroom training outcomes is a total success for our team. We thank each one of them who have been constantly supporting us all through the project.

*“Kind words can be short and easy to speak, but their echoes are truly endless”.*

This wouldn't have been possible without your presence, and we wouldn't be doing any justice to you all by just expressing our gratitude in mere words. Nevertheless, Mahindra Pride Classroom expresses its deepest sense of gratitude for being part of the training project with ITI.

The training program that we conducted in your esteemed institutions across West Bengal for the final year students in Employability Skills received a huge acceptance. The students while interacting with our coaches at the end of all sessions shared that they could sense a positive impact in their lives and also, they found, the training sessions were enlightening.

It was a real surprise experience for us to know that 1591 students benefitted through our training programme. It was a noble experience to see such a huge crowd of young aspiring crowd of students.

The facilities ITI has arranged for the program was well organized. We thank each institute principal for giving us an immense support throughout the programme. Kindly accept our appreciation for your hospitality and support.

The team Mahindra Pride Classroom (MPC) is eagerly looking forward to the next project with ITI, West Bengal.

Once again, Team MPC would like to convey our sincere gratitude to you and your exceptional institute fraternity for the unconditional support shown to us.

### Our Co-Curricular Achievements:

Almost in every ITI Center run by this PTP there was spontaneous Participation by the students in Games & Sports, in Music, Dance & Recitation. We like to mention that an inter-ITI Sports Meet was Organized Centrally by this P.T.P. causing a great Enthusiasm among the ITI students. They proved their excellence in games as well as in cultural activities.

### To mention a few having achievements in State & National/International level we like to refer to the following achievers:

NAME OF THE CENTER	NAME OF THE STUDENT	NAME OF THE EVENT	LEVEL OF ACHIEVEMENT
SONAMUKHI GOVT. ITI	Surajit Gore	Signed to Donate Eyes after death	An Ideal example for others to follow.
SONAMUKHI GOVT. ITI	Chandrima Salui	Badminton Championship	State Level
SONAMUKHI GOVT. ITI	Jaydeb Dangar	Quiz Contest	State Level
BALARAMPUR GOVT. ITI	ASIS KUMAR MANDAL	FOOT BALL PLAYER	PLAYS STATE LEVEL FOOT BALL IN HOOGLY
BALARAMPUR GOVT. ITI	MANNA RAJAK	CRICKET PLAYER	PLAYS CRICKET IN C.A.B.
BALARAMPUR GOVT. ITI	JAGAT GOSWAMI	NSS CAMP	SANITATION & CHILD EDUCATION OF THE ADOPTED VILLAGE
BALARAMPUR GOVT. ITI	SUPRIYO SING MODAK	DANCER	CERTIFIED BY GOLDEN STIPERS DANCE ACADEMY & METRO TALENT HUNT

## **VOLUNTARY ACTIVITY**

## Case Study of Knowledge, Skills and Abilities K.Pal, Registrar, BPIE

Knowledge is the theoretical understanding of a subject and an awareness of the associated practical know-how.

Ability is synonymous with capability, or competence to face the hazards and capacity to fight against adverse situations of life.

They relate to a particular occupation. You may have learned technical skills from past work experience, school, or training. These skills are often included in job listings to describe the tasks of a position. Soft skills refer to personal attributes that enable someone to interact effectively and harmoniously with other people, enabling one to accomplish a job successfully. 

### Who Is Your Case Study About?

Summarize in a paragraph:

- BalarampurGovt ITI(PPP mode) , under Bishnupur Public Education Institute.
- Industrial Training Institute, under NCVT Govt of India with 5 Trade(Electrician, Fitter, Welder, Surveyor and Refrigeration & Air Conditioning)
- Institute starts from last two years and the Electrician students are 3<sup>rd</sup> year students.

## Case Study of Knowledge, Skills and Abilities K.Pal, Registrar, BPIE

---

### Executive Summary

- In Basic Education there runs a popular proverb Earn while you learn and learn while you earn. The students of Balarampur Govt. ITI has proved this doctrine to be true in a different way. A recent case history reveals that this Balarampur Govt. ITI run and managed by BPEI under PPP model has made an instance of serving the society and catering the social needs right from their educational Centre.
- The fact reveals that though the ITI Centre is located in a less-advanced society, it has highlighted the truth that ITIs better offer the basic technological and engineering services to the nation. Maldih Junior High School under Balarampur Block requested the Balarampur Govt. ITI Principal to make an arrangement for electric wiring of the Office Room of the said school. Complying with their request the students of Electrical trade of Balarampur Govt. ITI have successfully accomplished the job to the entire satisfaction of the school authority.

---

### Challenges

- Skills Gap and Private **Sector** Competition. ...
- Succession Planning. ...
- Limited Budgets. ...
- Change Management. ...
- Data-Based Decision Making.

## Case Study of Knowledge, Skills and Abilities K.Pal, Registrar, BPIE

### How Your Organization Helped

- BalarampurGovt ITI helps:
  1. Technical Resource Provided like -  
–Teachers and Electrician Trade students, etc.
  2. 08 Students Involved in this Programme.
  3. Total Rs.1200 expenses born by BalarampurGovt ITI
  4. To Accept the Proposal and allowed to use the School Building of Mr. ChinmayMaji, T-I-C, Maldih Junior High School for execution of the proposal i.e Electrical Wiring 50mtr.

### Results

- The outcome of the job is noteworthy. The little success has raised the confidence level of the ITI learners. It has heightened their self-esteem. The society also acknowledges their gift with a high value. This sort of services strengthen the bond of trust between the ITI activities and the consumers in the society. If we extend our activities beyond the class-room in other sectors in the adjoining social framework, the ITI pass-outs will prove to be the trusted service providers and be rightly accepted to the society.
- Cost of Labor for 50 mtr casing wiring:

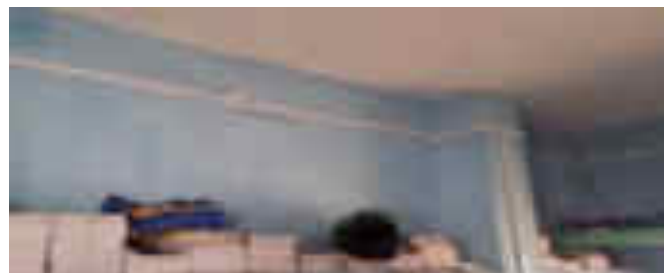

Sl.No	Description	Quantity	Total Rs.
1	10 point	Rs.80X10	800
2	50 mtr Casing wiring	Rs.5x50	250
3	1 main Switch Set	Rs.100X1	100
4	1 MCB Set with Board Set	Rs.100X1	100
5	1 modular set connection	Rs.50X1	50
6	Others Expenses		200
Total			1500

It is totally a Voluntary work.

## Case Study of Knowledge, Skills and Abilities K.Pal, Registrar, BPIE

The ITI Students in Action with their Electric Wiring Program

## Case Study of Knowledge, Skills and Abilities K.Pal, Registrar, BPIE

### Conclusion:

The case history is a signal to the fact that through such venture there can be a favorable tie up in between a Govt. Institute and a non-govt one. Moreover such programmes widen the scope of social interaction for the students and heightens their social responsibility & practicability of learning. One such success energizes them to achieve bigger success in their future course of life. There should be recurring involvements by ITI students in other sectors too.

### CoSchedule Can Help!

Social campaigns to help you promote your case study.

ReQueue to re-promote your case studies automatically.

Marketing Projects to help organize your case study project from start to finish.

Task templates to keep your team accountable.
